Rider Appropriating Sum Is Regarded as Certain to Pass Both Branches of Congress in Near Future.

BY CHAS, S. HAYDEN.
(Staff Correspondent.)

VASHINGTON. Feb. 20 — Senator Rellar, in a statement addressed to Roberts and the state legislature and the state legislature and several days ago, pointed out Tennessee had an opportunity to ain something like \$7,500,000 of fedimoney for the improvement of ds. This is on the assumption that rider to the postoffice bill providing appropriation of \$200,000,000 college. Incompleted Prospects

cycles but the work will all the coment for the thousands of men now ing released from the army. It is ged that the good roads pay big diviends in increased land values and mulate business in all lines. That there is need for stimulation in is regard is shown from the fact that all states only 45 projects, approved of the federal government and entitled and on the status thus obtained, have sen completed. The total number of rojects approved are 760 in number of represent a mileage of 7.889.51. The ate of Arkansas has completed one roject, representing a mileage of 5.549, alifornia 6 miles, North Carolina 8 lies, Louisiana 4 miles and West Virma 2 miles. Texas has had 70 rojects, representing 1.000 miles, approved but has completed none of them, tithough this state has received \$40.000 federal money for work approved and a progress.

of federal money for work approved and in progress.

"Tennessee has an opportunity," said senator McKellar in discussing these figures, "to fit itself for the great industrial development now impending and at the same time obtain one-half the money from the government. In fact we may say that all the money would come from outside for that to be provided by the states, counties or districts could be provided through hond issues and the state could be gridironed with highways leading to all important centers and connecting them one with enters and connecting them one with mother. I certainly hope the people of my state will see this thing as I do and ake the steps necessary to go for-

Memphis capital is sought by the Greenville, Miss., chamber of commerce to build 12 spartment houses and 500 cottages to accommodate the people who want to live there. L. A. Clark, secretary of the Greenville commerce body, agrees to find tenants for the buildings before the foundations can be completed, according to a letter received by John M. Dean, president of the Memphis Real Estate association. Mr. Dean says that Memphis capital does not have to leave the city to find profitable investment, the building situation here being just as acute as it could be at Greenville. OWN-YOUR-HOME MOVE PUSHED BY RELATORS

An effort to revive interest in the own-your-home movement is being made by the National Assolution of Real Estate Boards and the Memphis Real Estate association has been asked BOSTON, Feb. 19.—Manager Barrow, of the Boston American league baseball club, announced today that waivers had been received from all the league clubs on Fred Thomas, third-baseman; Richard Hoblitzell, first-baseman, and Outfielders James Walsh, Paul Smith and George Whiteman. All five were members ow the world's champion Red Sox team last season. Real Estate association has to co-operate.

John M. Dean, president of the local real estate association, has appointed a committee composed of Miliard Nalli, chairman, H. P. Wade and C. N.

A strong indorsement of the own-your-home campaign has been given by the United States department of labor, on the ground that the safety of the nation lies in its homes and that the greatest happiness of a nation is among contented home owners. The drink that takes the place of coffee INSTANT POSTUM

A pure, delicious American Beverage

Beaufont Winner

At the Club

Last night I went into the "usedto-be-bar" and asked the waiter for the best drink he could serve me-reached for the brass rail while waiting for him to get it, but it wasn't there. However, the coldest bottle I've seen in a long time was set down in front of me, and say, friend, the amber fluid that flowed from that bottle was the finest I've ever tasted-all the snap and zest that any man could want with a little more added. Of course you have already guessed what the name of that drink was-BEAU-FONT.

Beaufont every time is my newest resolution, but it's not going to be the usual kind I make every new year. "Beaufont Ginger Ale is real Ginger Ale."

Yours truly,

Tools Wise
